

**CSI: Forensic Science for Kids:** This program will look at the intriguing and popular topic of forensic science. Students will learn various techniques of crime scene investigation. Of the many subjects that contribute to successfully solving a crime, this class will focus on hair and fiber analysis, fingerprinting, questioned documents, DNA evidence, blood spatter and physical evidence collection. During the last day students will apply the skills they learned by collecting and analyzing evidence from a fake crime scene.

Instructor: Kellie Hughes  
Grades: 4-6  
Dates: January 26-March 1 (6 weeks)  
Session: Thursdays, 3:30-5:00

Lake Ridge Academy's after school Center for Creative Thinkers

[www.lakeridgeacademy.org/](http://www.lakeridgeacademy.org/)

Registration due January 6, 2012

**Private music lessons:** Private lessons in violin, bass, guitar, voice, piano, flute & trumpet. Lessons run Jan. 17–May 11 There are two weeks in May for make-up lessons, if needed. Private teachers will make lesson arrangements once the registration and tuition are received.

Instructor: Various instructors

Grade Level: K-adult

Dates: To be scheduled – Jan. 17-May 11 (15 lessons)

Session: 30 min./45 min.

Cost: \$390/\$540

**Ceramics:** Students will learn various techniques of ceramics. This class will offer introductory and basic building skills along with color theory. Students will be able to create various types of ceramics, such as coil pots, slabs, pinch pots and experiment with various color combinations. Each week students will be creating a new piece of pottery that they will be able to take home with them.

Instructor: Melanie Leonard

Grades: K-8

Dates: January 23-March 5 (6 weeks)

April 2–May 7 (6 weeks)

Session: Mondays, 3:40-5:00 P.M.

Cost: \$165

**Digital Photo:** This class is designed for the digital photography lover or beginner. We will meet once a week after school. You will review automatic settings and expand on previous knowledge of the camera's manual settings. For the proficient photographer, we will use the digital Single Lens Reflex (SLR) camera. You will

learn rules of a good composition through the elements and principles of art, and tricky fun stuff in Adobe Photoshop CS3. We will set up the strobe lights in the studio for picture perfect portraits and more. Get ready for a great time! The school does have digital SLR cameras for use on campus; however, you should bring your own point and shoot camera for this class. Some projects will require photo shoots at home.

Instructor: Carolyn Ballou

Grade Level: 4-8

Dates: January 17-February 21 (6 weeks)

Session: Tuesdays, 3:30-5:00

Cost: \$165

**Kindle!** Did you get a new Kindle e-book reader during the Holidays? Learn how to get the maximum potential out of your new device. There is much more you can do on the Kindle E-Reader than just read books. Depending on your model, you can listen to music, keep a journal, use it as a Google Maps GPS device, email and instant messaging, and even send text messages to cell phones via your Kindle! Find thousands of free books and resources that will take your Kindle experience to the next level. Learn all the tips and tricks of your Kindle from a Certified Tech Guru. You will need to become a member of your local library, as learning about free downloading will be a major component of this class.

Instructor: Gene Hughes

Grades: 4-Adult

Dates: January 9-February 6 (4 weeks; no class on 1/17)

Session: Mondays, 3:30-4:30

Cost: \$65

Registration due January 6, 2012

## Digital Media Using iLife:

This class is designed for the digitally inclined creator in grades 4-8. We will meet once a week after school. You will have the opportunity to capture still photography, video, create animations, music, slide shows, podcasts, you name it and we will give it a try. We will be using the iMac lab and iLife software suite including iMovie, iPhoto, Garage band, iDVD, and iTunes. You should bring a simple point and shoot camera and lots of ideas for the first project of stop motion animation. I suggest watching the "Western Spaghetti" stop motion animation on YouTube before coming to the first class. This is going to be FUN!

\*Some projects will require a little bit of time at home to gather the necessary materials for the project.

Instructor: Carolyn Ballou

Grades: 4-8

Dates: April 3-May 8

Session: Tuesdays, 3:30-5:00

Cost: \$150

**Abstract Painting:** Let's examine and experiment with what makes abstract painting so interesting. No prior painting knowledge needed! We will talk about some of the great abstract painters of our time and figure out what makes their work so great while we will try some of our own techniques and make some great abstract paintings. The name of the game will be to open up our minds, to experiment, to play, and try things we don't normally get to try!

Instructor: Jeff Yost

Grades: 8-adult

Dates: January 17-February 21

Session: Tuesdays, 3:30-5:00

Cost: \$150

## Master Joe Kim's Taekwondo

Since 1970, Kim's Martial Arts School has taught Taekwondo to over 1,000 students of all ages in the Cleveland area. Now, Kim's Martial Arts is proud to continue to offer its world class program at Lake Ridge Academy for **new and returning students**. Designed to teach all students the benefits of learning Taekwondo as a way of building self confidence, respect, and commitment, students will learn and apply practical self-defense techniques in this introductory course. Visit [www.kimsmartialartsavon.com](http://www.kimsmartialartsavon.com) for more program information. **Payment is made directly to Lake Ridge Academy.** You may return your registration with payment to Master Kim on the first day of class.

Instructor: Senior Master Joseph E. Kim, Mr. Donovan Flynn, Mr. Joseph Brady.
