## CELEBRATING OUR ALUMNI

**Roderick Tung, MD '94** received a Bachelor of Arts and Medical Degrees from Northwestern University where he was a member of the Honors Program. After finishing the seven year combined program, Roderick completed his residency at Massachusetts General Hospital and is now a cardiologist and Assistant Professor at UCLA Cardiac Arrhythmia Center.

An entrepreneur, Roderick has launched a men's dress shirt line, TUNG. Featured in the October 2009 Angeleno Modern Luxury Magazine, TUNG shirts are revolutionizing the men's dress shirt by offering a new edginess to classic elegance. Handstitched in the Veneto Region of Italy, the shirt features an oversized cutaway french cuff, a sleek tapered body, a structured semispread collar, and a shorter bottom U cut. TUNG shirts are exclusively available at boutiques in Los Angeles, but he will soon be expanding across the country and online, [www.rodericktung.com](http://www.rodericktung.com).

Roderick notes that his years at Lake Ridge Academy were some of the most memorable and influential of his life. He considers the school a truly special place with well-rounded, motivated students, and dedicated teachers. He feels the environment was instrumental in allowing him to discover his interests and passions while promoting a healthy self-esteem as every student is an integral part of the community.

In his spare time, Roderick enjoys fine dining, golf, tennis, fashion and travel. He currently resides in Los Angeles, California.

**Damion Crannis '93** is a wealth advisor for UBS Financial Services, Inc. Prior to joining UBS, Damion worked as an Investment Consultant for McDonald Investments in Elyria, Ohio. He has also earned his Certified Financial Planner designation. Damion is a graduate of Miami University where he received his Bachelor of Science Degree in both finance and marketing.

An active member of the Lake Ridge Academy Alumni Council, Damion says he enjoyed the years he spent at Lake Ridge. He believes the education provided him an advantage on the transition into college. Damion also says that the study habits he developed were invaluable as he progressed through Miami University. Today, those strong study habits have now provided him a great foundation for managing their wealth planning practice.

A resident of Avon Lake, Ohio, Damion and his wife, Dawn are the proud parents of Kiley, Sophia and Charlotte. In his free time, Damion enjoys golf and soccer. He has also completed the Cleveland and Chicago marathons.
