

# Global Voyages

Supporting the Center for Global Citizenship's mission of providing our students opportunities to become proficient participants in an interconnected world, the Global Voyages program offers engaging experiences that bring new insights, ignite personal growth, and inspire global perspectives through international travel.

Trips are open to all Upper School Students.

## Exploring Art, Culture and Service in Peru 2023

Immerse yourself in the culture of Peru, connect with the local people while performing a service project, and visit Machu Picchu, one of the New Seven Wonders of the World.

**Enrollment closes 12/1/22!**

## STEM in Great Britain 2024

Explore the dazzling views of Edinburgh while discovering its rich medical history. Then travel to London, where you'll participate in forensics and coding workshops.

**Enrollment is open!**

## Ecosystems of Ecuador (Galapagos Islands) 2025

Visit the Amazon rainforest, the Galápagos Islands, and the Cotopaxi Volcano. Engage your adventurous spirit while snorkeling and whitewater rafting.

## Madrid, Paris & Rome 2026

Explore three beautiful European cities, enjoying the art, music and food that each city has to offer.
