I just registered to attend the auction, when will I receive my tickets?

You will not receive printed tickets. You will be added to our list and check in at the registration desk when you arrive at the event.

If I registered to attend the Auction Gala, do I still need to register to bid?

Yes, but it takes just 90 seconds. You will need a specific bid number that can only be assigned once you enter your credit card and contact preferences on the mobile bidding site. You will receive an email with your bid number on November 14.

May I bid if I can't go to the auction?

Yes. Anyone in the world may bid on most auction items that will be available through the mobile bidding service beginning on November 14. Some exclusive items will be reserved for auction guests who attend the event, but many items will be available online beginning November 14.

May I share the link with my friends?

Please do! Everyone who supports the auction also supports our teachers and students.

If I plan to attend, do I have to register for a bid number in advance?

No, you can certainly register and receive your bid number at check in the night of the auction.

Once I register to bid online, then what?

On November 14, you will receive an email with your own mobile bidding number, which will allow you to enter the online system and bid on all available auction items.

Do I have to watch my bids?

No, that's the great part about mobile bidding. If you are out-bid on one of your favorite items, you will receive an email or text (your preference) letting you know that you may place a higher bid if you wish.
